Date: 09/30/2020

Offense: Driving While Suspended-Prior

Offender: Edward Strack (DOB: 01/25/1959)

On September 30, 2020 I was on duty with the Rochester Police Department. At approximately 0853 hours I was traveling south on Main Street in the 1800 block. While traveling south, I observed a dark colored Chevrolet HHR traveling in front of me. The registration on the vehicle showed NA746, expiring in 2013. I initiated my emergency vehicle lights and conducted a traffic stop on the vehicle at Main and Larue Streets.

I walked up to the vehicle and made contact with the driver who I know from my experience as a law enforcement officer to be a Mr. Edward Strack. I asked Mr. Strack if his plate had expired in 2013 or if it was valid. He advised me he did not wish to speak with me. I asked him for his identification to which he would not provide me with. I asked Mr. Strack to step out of the vehicle.

I communicated with dispatch regarding Mr. Strack's license status. Dispatch advised me he was suspended infraction on a public passenger chauffeur with motorcycle endorsement. When conducting a driver's history, dispatch advised me Mr. Strack had multiple indefinite re-eligibility dates. Dispatch also advised me Mr. Strack's registration had expired in 2018.

With observing Mr. Strack operating the vehicle, his license status, registration status and him not advising me if the vehicle had insurance I requested a tow truck be en route to take possession of the vehicle. I advised Mr. Strack to retrieve the items out of his vehicle he wished to take with him. I also advised him to call for a ride.

A short time later Hammel's Towing arrived on scene. Mr. Strack would not provide Hammels with the key to the vehicle or unlock the vehicle. I issued Mr. Strack two complaint and summons for driving while suspended infraction and expired registration with a court date and time of 12/10/2020 at 0900 hours. I also issued him a warning for no insurance. It should be noted Mr. Strack would not take possession of the tickets/warning. I performed a lockout on the vehicle and placed the documents inside the vehicle. Mr. Strack was released from the scene.

Later that day I made contact with Deputy Prosecutor Rachel Arndt, who requested I send a report to her office regarding driving while suspended-prior for Mr. Strack. Mr. Strack has a previous driving while suspended infraction conviction in 2019. There is nothing further at this time.
